Dear Commissioner Morath,

The Millsap Independent School District followed the process required by House Bill 1842, enacted by the 84<sup>th</sup> Texas Legislature and codified in the Texas Education Code Chapter (TEC) 12A, for the Board of Trustees to designate MISD as a District of Innovation (DOI) on March 27, 2017. Although a plan may have a term of up to five years, MISD elected to review the plan and consider an amendment.

The MISD Board-approved the DOI Committee met on March 21, 2019. The committee reviewed the entire plan and considered one amendment. It was unanimously approved. The draft plan was posted on March 22, 2019 to begin the 30-day comment period. On April 29, 2019, the District Educational Improvement Committee (DEIC) held an advertised public meeting to consider and vote on the updated DOI plan. The plan was unanimously approved. On May 20, 2019, the MISD Board of Trustees approved the updated plan by a unanimous vote.

The MISD District of Innovation Plan addresses the following sections of the Texas Education Code:

TEC 25.0811 Uniform School Start Date  
TEC 25.092 90 Percent Attendance Rule  
TEC 21.401 Teacher Contract Days  
TEC 21.003, 21.051, 21.057 Teacher Certification  
TEC 25.036 Transfer of Student

Sincerely,
