### **Course Overview**

Welcome to Theatre Arts! I am looking forward to a great year of theatre activities. During the course of the year, students will participate in a variety of activities that will showcase their creativity and acting skills. We will begin the year with improvisation, pantomime, and acting games. Students will write and perform monologues and plays of various genres. We will also explore the history of theatre and theatrical terminology. In addition to activities in the classroom, students will have the opportunity to participate in Drama Club.
